Our Christmas card campaign raises £1,000 for UK charity, Barnardo's.

In December 2016, we launched our Christmas campaign to support Barnardo's vision of changing children's lives. It was such a success, we were able to give £1,000 to the charity with the help of our clients and candidates. We would like to say thank you to everyone who supported this worthy cause.

We were also delighted to capture Penna MD Julie Towers presenting the cheque to Barnardo's CEO, Javed Khan. You can watch our video [here](#)

Julie Towers, Managing Director at Penna, commented: "We were delighted to support Barnardo's 'Believe in Children' campaign through our Christmas card. The cause was highly impactful and fully deserved our support. The charity is doing great work for children and young people. And I hope our clients and candidates who took part in this year's campaign recognise the good they are doing through our donation."

For over 150 years, Barnardo's has changed the lives of vulnerable young children across the UK. Their contributions span everything from early intervention to mental health provision and care leaver services.

Please read more about their work here www.barnardos.org.uk.

Since joining the Adecco Group, we are able to support more charities and increase our social impact like never before. Being part of Adecco, we can now participate in truly

global fundraising activities, such as the Adecco Win4Youth initiative.

Additionally, we also continue to promote our own volunteer days, charity pub quizzes, and we even have our own charity committee - dedicated to creating fun and fresh initiatives to help causes like Barnardo's.

Thank you again to all those who engaged with our campaign, and continue to support Barnardo's and charities all over the world.
